

FROM THE EDITORS

The current issue of the English-Language Edition of the *Kwartalnik Historyczny* inaugurates a new series of the journal. This is the first of five issues in English, which will be published thanks to funding from the National Programme for the Development of the Humanities (Narodowy Program Rozwoju Humanistyki). Each will contain original articles and reviews that have not previously been published in any language. In keeping with the mission of the *Kwartalnik Historyczny*, the English-Language Edition's scope will range over Polish and general history from the Middle Ages to the most recent times. We expect the contents of these issues to equal their Polish-language counterparts in quality and that they will be of particular interest to researchers abroad.
